

EQUIESSENCES

*These essences are known as the 'Well Essences' or the
Wisdoms of Water, stored beneath Gaia.
They were channelled by Chiron Channel, the late Jan Thomas.*

They are very different from the *Essences of the Ancient Civilisations*[®]. They are ancient energies brought through from the 'Storehouses' of the Sisterhoods - the 'Women's Wells'. Here we gather the Elemental wisdom of the female knowledge, known as 'Equibalance' or balance in all things.

The intuitive feelings and inner knowledge that belongs to the feminine side of the Pattern, belongs to 'Water' or 'Feeling' and was stored not in runes or words, or bardic treatment, but in pools known as the 'WELLSPRINGS of the LADIES of GAIA'.

There are four Equiessences. They are used to balance energy problems caused by 'Feeling' damage (i.e. your own - or another's - feelings have caused damage to the energy pattern).

How to use the Equiessences - Read through the information on each of the Equiessences, and if one or more of the feelings described apply to your situation, use one drop of the appropriate essence right in the centre of your "Feeling Centre" (solar plexus area, between the sternum and navel). One drop, used once, is usually enough to balance out that particular damage. If you feel that more than one of the words applies to you, wait for at least 10 minutes before applying one drop of a different essence into the Feeling Centre.
